Dear friends,

Special Mass and Candlelight Vigil for the Easter Attacks of Sri Lanka

The past few days have brought about a very dark period for Sri Lanka, with what can only be described as an attack on all of humanity. With the events that unfolded which have caused a permanent crack in our peaceful and beautiful country, Sri Lankan people and people all over the world are mourning the innocent lives that were inhumanly taken from this earth. Taking this into account, the Sri Lankan Catholic Community of Western Australia with the fullest support of the Honorary Consulate of Western Australia and the Sri Lankan community of WA, regardless of their faith or ethnicity, have organised a special one-hour service at **St Mary's Cathedral Perth** followed by a candlelight vigil to be held on the **27th of April at 4:00pm**. This service will be held in both Sinhalese and English, in remembrance of the lives that were mercilessly taken, to bless those that are fighting for their lives and for the country to heal from the psychological wounds that were caused.

I humbly request you to express your support to my country by gathering in solidarity at this special service, regardless of race, religion, or ethnicity. As terrorism knows no bounds, our humanity must not, either.

Kind regards,

ROSHANA C.N. JALAGGE
